

'Old Fashion' UTC Birthday June 26-28

Recapturing the "Turn of the Century" era, Upland Town Center has planned and packaged three days of "old fashion" fun, to celebrate its 1st anniversary this weekend, June 26, 27, 28, with free treats and exciting entertainment for all concourse visitors.

With the theme "Old Fashion Days" the colorful town center concourse has rolled back the curtain to the enchanting gaslight era of "Sweet Adelines," Barber-shop quartets, bicycles built for two, Stanley Steamers, horseless carriages, and even an "Old Tyme Theater," replete with old-time movies and the matinee idols of the period, to celebrate.

Visitors may safely wager grandpa's mustache cup that they will find all of this and much more in Upland this weekend.

ANTIQUE DISPLAYS

Adorning the display windows of many stores will be antique displays recalling those lovely days of long ago when "inflation" was a happy word, generally associated with a young man checking the tires of his "tandem" bicycle before pedaling his pretty girl down a shady lane on a summer Sunday afternoon. Old fashion bargains will abound in every store.

MEXICO VACATION

Enhancing the three fun-filled days of free entertainment and frolic for all age groups, is the Grand Prize drawing, Saturday, June 28, 2:30 p.m. at the kiosk. A free vacation for two, for seven days to Mexico, is the grand prize. Second prize is a black and white television set. Free tickets will be available in all member stores until 12 noon on

Saturday June 28. Winners must be present at the drawings. Store owners, managers and store employees and immediate families are ineligible to participate in the drawings.

BIRTHDAY CAKE

Free "Lucky" birthday cupcakes and coffee will be served concourse visitors in front of Upland bakery, Thursday and Friday, June 26-27, from 10 a.m. until 11 a.m. only. Birthday cupcakes containing concealed plastic discs, in bottom of wrapper, will entitle celebrants to valuable gifts. Cakes with a blue chip disc will win for the celebrant \$25 cash. Over \$500 in gifts have been donated by Upland Town Center merchants.

COSTUME CONTEST

Store personnel will compete in the costume contest attractively attired in "turn of the century" costumes. Three trophies will be awarded stores or firms best depicting the "Old Fashion Days" theme.

ENTERTAINMENT

Running the gamut from "Sweet Adelines," to an old fashion milking contest at the Shopping Bag parking lot, the entertainment will include free pony rides and miniature stage coach rides for the children all three days from 11 a.m. until 5 p.m. A clown with free gifts and balloon animals will also appear all three days. Exhibitions by square dancers will be given Friday evening and Saturday afternoon. Singing groups will entertain on stage at the kiosk Thursday and Friday evenings and Saturday afternoon. Antique automobiles will be displayed Saturday, June 28, from 10 a.m. until 5 p.m. and will

TURN BACK THE CLOCK -- Linda Lichlyter and John Meyer relive the old days when the town of Upland had just been started. They are riding in a quarter scale Model T Ford, owned by Oddie Christie of La Canada. The car will be on display during the Town Center anniversary celebrations. Miss Lichlyter is the daughter of Mrs. Geneva Lichlyter, co-owner with Dotty Wechsler of the Trolley Stop gift shop. She is a 1968 graduate of Chaffey high school and is attending Northwest College for medical and dental assistants, in Covina. Meyer is president of the Retail Merchants Association of Downtown Upland and owner of Modern Decorators.

parade at intervals around the concourse and kiosk area.

CIRCUIT RIDER

An edifying and entertaining page of Americana will be added to the program Saturday, at 11 a.m., with the appearance of the "circuit rider". In a recreation of his role that has attracted favorable national attention through radio, newspaper and television coverage, Rev. Robert Watson, United Methodist church, La Canada, California, will again reenact his plausible portrayal of the "circuit rider," conducting an old time "camp meeting."

Commemorating the 185th anniversary of Methodism in America, Rev. Watson attired himself in the garb of the "circuit rider" and astride a horse conducted a "camp meeting" in much the same manner as the itinerant preacher of over a century ago. Begun with the approval of his church, the public demand has been so great that Rev. Watson has recreated the role many times. Sanctioned by his church and the Ministerial Association of Upland, the "Circuit Rider" will ride again in the streets of Upland Saturday at 11 a.m., reliving a page of American history,

and will conduct a "camp meeting" at First and Ninth streets from horseback.

MINIATURE MODEL T

With the children in mind, Upland Town Center merchants have procured a mobile, miniature Model T, from which a giggling clown will travel the concourse dispensing balloon animals and gifts to the kiddies, at intervals during the three-day celebration.

LILLIPUTIAN HORSES

World renowned Lilliputian horses, from Regina Winery, will amuse all age groups Thursday, Friday and Saturday. Additionally, free rides for the kiddies will be provided by a miniature stage coach drawn by Shetland ponies Thursday and Friday. On Saturday a Pony Sweep is slated for the children. Parents are invited to bring cameras and capture the happy, festive moods of the children. On request Bee-Bee the clown will pose with children in his miniature Model T.

Town Center Promotions

John Meyer, president of the Downtown Merchants Association, has announced the merchants have a six-month promotion program set up. The ideas were approved at a meeting held early in the month.

Some of the highlights are the anniversary celebration, Fourth of July celebration, band concerts, back-to-school, vacation

ideas, and art festival. In the fall will be Halloween, Thanksgiving and Christmas celebrations. The merchants will pay for the promotions on a fair-share basis, he said.

Since the opening of the concourse last year, some types of promotions have been going on, and so far have been successful, Meyer said.

This Sign 'Fight' In Upland What Is It All About?

By Jenny Kirkpatrick

(Ed. Note: There are two sides to every question that is in dispute and in the interest of letting the public make up its own mind as to who is right and where compromise is needed, we present both sides of the Sign Review Committee's views.)

The issue in the committee is this: Is the sign ordinance in Upland too restrictive for the businesses to do business?

Bearing in mind that a business must make a profit or close its doors, and by the same token, many citizens feel that "doing business" must not mean cluttering up the town with offending signs.

COMMITTEE MAKE-UP

The committee is made up of three citizens, Audrey Perri, Robert Scudder and Richard Riley. They are representative of the citizen in Upland who does not do business in Upland and are speaking for the citizen's view.

The Chamber of Commerce representatives are Bill Moir, Pete DeRosa and William Rugg. They all have a business or do business in Upland. Along with these representatives are Tony Malone, manager of the chamber of commerce, and Harvey Stone, chamber president, who attends the meetings. Malone is one of the secretaries of the group.

The Planning Commission is represented by Frank Carpenter and Robert Cameron, neither of whom own businesses in Upland.

The Architectural Commission is represented by Tom Harris, an architect, Rod Anderson, planning director for the city acts as interpreter for the ordinance, and along with Tony Malone, is the other secretary of the group. Don Maroney, city attorney, also acts in an advisory capacity, as does Elwin Alder, city manager. Councilman Ronald Rossiter was appointed by Mayor George Gibson to head the committee, and he conducts the meetings.

The reason for citing who does business in Upland and who does

not, is to indicate why differences exist on the committee.

REASON FOR DIVISION

The arguments presented so far stem from this division. Those who do business in Upland feel they must have more leeway in signs than those who feel Upland must have no sign clutter.

The code, dating back to October, 1953, has become increasingly more restrictive, going from type and sizes of signs to rulings that signs must be approved by an administrative and architectural committee.

Many are of the opinion that the code is highly technical, including City Attorney Maroney. The Planning Department has indicated it is hard to interpret at times and most businessmen say they do not understand it at all.

Nearby Claremont has an ordinance that is readable and can be interpreted. This is what is sought by the members of the committee. About this, they are all in agreement.

Another area of agreement is that both sides want Upland to stay beautiful, but with philosophical disagreement as to how this may be accomplished and

yet properly identify the business.

The Chamber of Commerce in its presentation listed proposals for changes and the group has spent many hours discussing and re-discussing these changes and making other changes.

GRANDFATHER CLAUSE

One main point of disagreement is the "grandfather clause" which would allow existing non-conforming signs that were erected before the ordinance went into effect to remain, but they would have to be maintained properly.

The discussion here is, why give blanket approval to signs existing?

The argument is the amortization period is not long enough for some businessmen and they will be hurt by having to remove their signs. Cost of non-conforming signs range from \$23,961 to \$3,120.

A compromise was reached, but is not final, that a 20-year limit be set to remove the non-conforming sign.

A non-conforming sign is one that has a permit, and would be the only ones involved. Those that are termed illegal, that is

Mountain Off-Ramps Shut Down

The on-and-off-ramps at Mountain avenue on the San Bernardino Freeway in the Ontario-Upland area will be closed for most of the summer, effective this week, due to state highway construction, according to highway officials in San Bernardino.

Clyde Kane, district engineer, said the ramps are to be reconstructed as part of the eight-lane widening of the freeway between the county line and Euclid avenue.

Closure of the ramps will not affect through travel on Mountain avenue itself, Kane said, which will continue to serve north-south traffic.

Motorists may make alternate use of the interchanges at Central and Euclid avenues when entering and leaving the freeway, he said.

Reconstruction of the freeway ramps is expected to extend into August. The freeway widening project, will continue into next spring.

Propose 75 Unit Apts.

A 75-unit apartment project with a recreational area on "D" street and Third avenue will come up for a public hearing at the Planning Commission meeting tonight at 7:30 p.m. in the council chambers, 177 E. "D" street.

Ralph Miller, real estate developer, will seek a CUP (Conditional Use Permit) for the apartments which will be the first

apartments in the Planned Unit Civic Center area of the downtown section.

Also on the agenda are public hearings for a general plan amendment, a zone change and three conditional use permits.

Under new business, they will consider two tentative tract maps and a parcel map and discuss rezoning along Eighth street and Benson avenue.

Flies On West Arrow Draw Strong Complaints

UPLAND -- Some 650 residents of an area centered around West Arrow highway have signed a petition requesting the city, state and county governments to do something about the fly problem.

The petition will be presented at the first city council meeting in July.

Meantime, the latest Health Department inspection of the three poultry ranches in the area, owned by Councilman Ronald Rossiter, has found the ranches "acceptable" in fly control practices.

Mayor Joseph Alioto

Commerce dinner to be held Tuesday, July 1, at the Miramonte room, Uplander Motor Hotel, at 6:30 p.m.

The Mayor, a Democrat, has announced he will seek the governorship next spring against incumbent Republican, Governor Ronald Reagan. He has not announced his topic for the Chamber dinner.

Alioto has had careers in law, agriculture, international trade and banking before entering politics in 1948 where he served on the school board.

He is a native San Franciscan, a graduate of St. Mary's college, Morega, and Catholic University of America and has received honorary degrees from St. Mary's college, Santa Clara university and Catholic University of America.

He holds numerous memberships in civic and cultural organizations and is the father of five sons and one daughter.

CHAMBER OFFICERS -- Making plans for the annual Chamber of Commerce installation dinner are (seated from left) Robert Sherwood, Pete DeRosa, director, and Jack Atwood, director. (Back row) H. Frank Penn, vice president and Walter Reardon, president. Also to be installed are William Rugg, treasurer, C. Richard Hield, director and Paul Hottel, director. The dinner will be held Tuesday, July 1, at the Uplander Motor hotel.

Gettin' Tough

Americans are peculiar people.

They can be knocked down and pushed around--just so far-- and then they strike back with a vengeance.

For the past several months we have been witnesses to race and student demonstrations and actually have been rolling with the punches--rather than hitting back.

But apparently the worm is turning.

In virtually every election this spring the law and order advocates are winning. Take New York City last week, and even in neighboring Los Angeles we feel that one was factor in re-electing Sam Yorty. Certainly the race issue and his scandal-ridden administration didn't garner him too many votes.

Gov. Reagan's popularity chart is always at its height when he "reads the riot act" to the rioters, and if he is re-elected that strong stand will likely be the biggest factor in another term.

The public is getting fed up with rioting students on both the college and high school levels. Certainly there are adjustments to be made in the educational system but breaking up school or college property and defying the officers isn't the answer.

Pomona High School had the makings of a student revolt this spring. The administration simply kicked the revolters out of school and that was the end of the rebellion.

Unfortunately, too many school and college administrators haven't displayed the fortitude to oust the trouble-makers.

Have you noticed in some situations where boards and school administration have bowed and removed or transferred the principal? The rebels are just as unhappy with the successor who is chosen.

Call it "Law and Order"; call it "Getting Tough"--we cannot tolerate destruction of lives and property under the guise of self-expression and the freedom.

Whatever it is called. WE ARE FOR IT?

mad-cap merriment, will provide a lot of "bovine buffoonery" at the old fashion Milking contest, Saturday morning at 10 a.m. in the Shopping Bag parking lot. As one of the headliner contestants Bee-Bee's opponents will consist of various civic dignitaries. The winner of the milking contest will be chosen by the applause of the children in the audience. The cunning clown, when informed of the method employed to select the winner of the contest hastily announced that he would have very special gifts and plenty of balloon animals for all the little folk attending the milking contest.

FOOD BOOTHS

To provide palate-pleasing pleasure for everyone, "Old Fashion Foods" inimitably delectable pastries, pizza, hot dogs, beverages, etc., will be abundant

throughout the concourse Friday and Saturday, June 27-28.

Served by local clubs and organizations, food booths will be located throughout the concourse. Planning to participate are the following organizations:

DAR, bake and flag booth; Upland Junior Women's club, rummage booth; B.P.W., snow-cones; League of Women voters, informational display and registration booth; Altrusa International, bake and popcorn booth; San Antonio Hospital Auxiliary, "Boutique" booth; Upland-Foothill Kiwanis club, fruit punch; Upland high PTA, pizza, punch, lemonade; Upland Women's club, cookies; Jaycees, sno-cones and fruit juice; First Baptist church, an informational display; Cucamonga Service club, hot dogs and soft drinks.

And, of course, everyone plans to be there.

without a permit, must be removed as they violate the law. The other area of disagreement is in size and location, the argument here being: Why have larger signs?

The business side says, "be cause we have to have a sign that can be seen if we are in a area (Foothill Blvd. and other fast traffic areas) where we cannot otherwise be seen."

The other side says: "if we allow it, you'll all have competing large signs."

How many signs to be allowed is also a contention. The businessman says "we need some free-standing signs and some building signs to identify our

businesses."

The citizen says, "if we allow too many, they will be all over the place."

The businessman says the administrative and architectural committees, who screen signs, would limit ugliness and clutter and keep us in line.

The other side says this is too much of a burden on these commissions.

Thus the arguments for and against go on and the changes will not be brought to the council until they are resolved, according to chairman Rossiter. He is seeking agreement on all issues and trying to avoid confrontation on the issues.

The Readers Write

Dear Sir;

Your contribution to our annual spaghetti feed made it a very successful event again. It will enable us to complete some of our several community projects.

To serve over the 3,000 people, the club members prepared over one ton of spaghetti and 350 gallons of sauce.

We thank all of those of the community who bought tickets, and hope to see you all next year.

Thank you again for your contribution and for your generosity.

DEERE HUNTING

Have you heard about the Utah rancher who took no chance with the California hunters last season?

One rancher painted the name of his farm animals on the ribs. It didn't do much good.

No horses, pigs or dogs were killed, but two nimrods blasted a big hole in the farm tractor.

It seems that the tractor had the name John Deere on its side.

NO TRAGIC LOVER

Our vote for the most frustrated suicide is a man named Jack Williamson, an x Chicago ex-salesman.

Despondent over a girl friend who ran off with another man, he decided to kill himself.

First he tried to hang himself, but the rope broke and he fell to the floor, only bruising his knees.

Next he turned the oven on without igniting the gas, but after eight hours nothing happened except he got violently sick to his stomach.

Half a bottle of sleeping pills only put him to sleep for 18 hours.

When he tried to jump off a bridge, he got his foot stuck and had to be freed by a police emergency squad which took him into custody. Before the judge, Williamson sighed, "I guess I just wasn't cut out to be a tragic lover."

Ladylike Karate?

The Police Matrons in the police department are not to be mistreated as they have just completed courses in Judo, Karate, and the ladylike manner of self-defense. Stay away from them or they might throw your weight around.

Anyone For Swimming?

Swimming pools are popular in Upland, the building dept. records a flurry of permits for them in the last few weeks. Maybe many Uplanders have decided to have a "stay at home vacation" this year rather than roam the freeways.

Ruined His Nap

One poor man was roused from a short snooze in his car when a panicky passer-by reported his prone body to the fire department. Amid flashing lights and sirens, the poor man was awakened and found himself surrounded by the rescue squad. He was a bit mad at having his nap ruined.

What's In A Name?

How come Bill Rugg is in the lumber business and not carpets? Shelby Forrest is principal of Pioneer Junior High School and not in the lumber business and Frank Carpenter is a sales representative and not in the lumber business?

How come?

Did You Know?

The Upland Foothill Kiwanis Club sold 3,905 Spaghetti Feed tickets and made \$2,500 for the kids. They still have some homemade spaghetti sauce left and will sell it for \$1.35 a qt. It can be picked up at the Arrow Food Lockers.

It was just a year ago the Town Center-Kiosk was dedicated, after a three year planning program by the Downtown Merchants, city and chamber. The cost of the center was borne by the Downtown Merchants themselves and it is to their credit and to the Chamber for making an attempt to revitalize the downtown area.

Some cities give up their downtown areas and turn to regional shopping areas, only to find the downtown area deteriorating and then it is too late to do something about it.

At least in Upland, merchants and the chamber were farsighted enough to make an attempt to do something before it was too late.

It is true that the year has not produced any spectacular changes, and it has been one of sometimes painful growth, especially for the merchants.

An attempt has been made at some type of promotions and again paid for by the merchants. To a degree these promotions have been successful.

Some, like the Disneyland Band, were only for fun, others helped promote business and some, like the Art Festival involved the whole community.

We think this is good for the merchants and the community and more of it should be done, especially on a local level. Of course, these promotions haven't been the complete answer to the downtown area, but it is a step forward.

Some of the merchants have also revitalized their stores and become merchandising minded, which also, helps business. They have a lot to offer with personalized service and should take advantage of all avenues that lead to more revenue.

We congratulate the merchants, the chamber and the city on their attempt to revitalize the downtown area and encourage further growth in the year to come.

Popcorn Touch

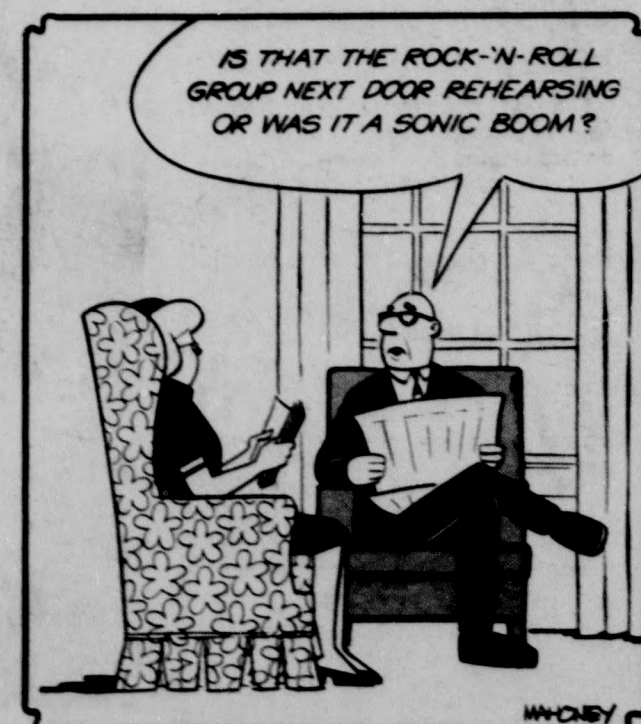

The planes may have the films, but the buses may soon have the smell. A researcher at Georgia Tech claims to have come up with a catalytic converter which will not only cut the exhaust from diesel engines but will also make it smell like freshly popped popcorn. So the time may soon be at hand when your bus ride to the airport gives you the odors and the plane ride gives you the picture.

We suppose that such an invention is only to be expected in this topsy-turvy world. Today is a time when the main trend seems to be to hide and confuse what once seemed plain and clear. In an era when girls dress like boys and boys like girls, and when automobiles are striped like bumblebees, exhaust which smells like popcorn is really quite logical.

Of course, we can think of a better switch. For those of us who tend to overindulge when we go to a movie, what would really be helpful would be to find popcorn which smells like diesel exhaust.

Children 'Haunt' For Books

Spooks are around! Owls are flitting about! "Go Haunting with Good Books" is the theme of the Summer Reading Club at the Cucamonga-Alta Loma Branch of the San Bernardino County Library, 9161 Baseline in Alta Loma.

All children who can read are invited to join the club by reading one book. Every child who has become a member will receive a Spook Sheet of haunted places. On it, a ghost beckons the reader of mystery stories. The haunted house is the home of stories about boys and girls and their families, as well as the habitation of ghosts.

Tombstones are the token of biography and history. A hand mysteriously lifting a sword from the waters of a lake conjures up myths and fairy tales. Skeletons dance an invitation to read in the area of science, and a black cat lurks in the corner for animal stories.

For every book read, the picture of an owl will be stamped on the Spook Sheet. When they have read ten books, club members will receive a certificate

for their achievement.

Children who are not able to read for themselves may participate in their own "Read-to-Me" Club. They will receive a colorful chart to be stamped with the owl-stamp for every book which has been read to them. This is the first time the County Library has offered a summer reading

club for very young patrons who have not yet acquired the art of reading.

Library hours are 12-9 p.m. Monday-Thursday, 12-6 p.m. on Friday, and 10 a.m. - 3 p.m. on Saturday. On hand are Mrs. Helen Kilmurray, branch librarian; and Mrs. Lucy Moore, supervising librarian.

Upland Teen Center Director Joe Reynoso announces the Upland Teen Center will be open this summer from 7 to 9 p.m. Monday through Thursday; Friday from 7 to 10 p.m. and on Saturdays from 2 to 4 p.m. and 8 to 11 p.m.

For the Saturday evening dances, all teen-agers are invited to come in and participate in 8 to 11 p.m. for the Saturday evening dances.

All teen-agers are invited to come in and participate in the many activities being planned by the Teen Center staff for the summer months. Teen Center membership cards are on sale every day at the Teen Center for \$1.

For further information call 982-9312 between 7 and 9 p.m. daily.

Among the bands that will play during the summer for the dances at the Teen Center are: Jerry and The Uniques, The Soul Society, the Chappels, The Echo, The Soul Review and The Establishment.

Dress for these dances will be casual. Price of admission will be \$1 without Teen Center card and 75¢ with a card.

Rescuing cats is not a regular part of a Gas Company serviceman's job.

But, then, neither is helping stranded motorists. Or giving pregnant ladies cab fare to the hospital.

The thing is, our servicemen are the kind of guys that do those kinds of things. We don't mind. In fact, we encourage them.

They're out in the community so much they become a part of it. They want to help and people have come to expect them to help. Fine. But, some fairly strange things happen. One day last summer, for instance, one of our servicemen chased a hit-and-run driver in his Gas Company truck.

Caught him, too. Our servicemen are like that. Determined.

Actually, what with the rescued cats and stranded motorists and all the rest, you might wonder how the work gets done. But somehow all the pilots get lighted, the burners get adjusted, the ovens get calibrated, the wall heaters get cleaned, and the gas dryers get checked. And right on schedule. Our servicemen really do a job.

Men, we salute you. Keep up the good work.

ONTARIO MOUNTETTES -- Two of the 12 riders in the recent Glen Avon parade are shown above in full regalia. Mounted atop Tennessee Walker Pollyanna II is Mrs. Robert Knudsen of Ontario, while Mrs. Lavern Quaintance of Alta Loma stands in front. Mrs. Quaintance has been with the Mountettes almost since the group was first started.

Mountettes Place 1st In Glen Avon Parade

Female equestrians from Cucamonga and Alta Loma won first place in the recent Glen Avon parade along with their fellow riders from Ontario, Chino, Riverside, and Yucaipa.

The horsewomen, part of a group known as the Ontario Mountettes, received the award as they rode in the Grand Entry, representing the city of Ontario. The parade was part of the Riverside

Rancheros Eighth Annual Rodeo. Carrying the city's banner, the riders included Dolores Hardy, Doris Borden, Lorraine Huff, Patricia Knudsen, Nancy Smith, Doris Quaintance, Bobbie Sissons, Helen Tressmer, Doris Leedom, Charlotte Hoffman, Elaine Nunnemaker, and Zella McBride.

The women wore royal blue riding outfits with sequins on the shirt fronts, white fringe on the sleeves, white kerchiefs and hats, accented by white gloves and boots.

The group was organized about 16 years ago as the auxiliary to the Mounted Police of Ontario. Each year the city contributes a nominal sum of money towards the upkeep of the group's equipment.

The Mountettes own their own horses and groom them meticulously before each parade. The horses are Arabians, Quarter horses, and Tennessee Walkers.

Besides participating in city parades, the group provides social activities, such as trail-riding parties and money making projects.

The Mountettes always welcome new members. Any woman between 18 and 80 who owns a horse, likes to ride, and can transport her horse to the various parade locations is invited to join the group.

Interested persons can obtain more information by calling Mrs. Quaintance at 987-2293 or Mrs. Nunnemaker at 628-2789.

Eye Care Topic

The Upland Ambassadors 4-H club held their monthly meeting at Baldy View Elementary school.

Dr. Francis Aglio, a local optometrist, was guest speaker for the evening. His main topic was caring for the eyes.

Linda Ziak gave a talk on Regional Field Day and Gloria Gula reported on the Hi-4-H meeting she attended.

Toward the end of the meeting new officers were elected for the year 1969-1970. They are as follows: President, Gloria Gula; vice-president, Joe Gula; secretary, Valerie Kester; reporter, Rebecca Potts; recreation leaders, Dorothy Roney and Amy Tarebell; song leaders, Rachael Kester and Marcella Bortzer.

The meeting was adjourned and refreshments were served.

We helped build America. Now we keep it moving.

Santa Fe, in its 101st year is moving toward new ways to serve America's growing need for faster and more efficient distribution methods.

Talk about fast service. We give you "Super C", the world's fastest freight train. Now running as a market-tester for Piggy-Back and container cargos between Chicago, Kansas City and Southern California.

Talk about communications. Our microwave network and data center uses third-generation computers to keep constant control of car movements, and to help develop new methods that serve you better.

How about capital expenditures? During 1969, we're spending \$190 million for new equipment, modernization of facilities and development of new projects.

For our equipment fleet we are acquiring 2,600 new freight cars, 90 high horsepower diesels, 25 remote locomotive control units, 1,263 vans for highway and Piggy-Back service, along with other vehicles.

We're completing a multi-million dollar expansion of our automated freight classification terminal at Kansas City.

We're expanding diesel shops, Piggy-Back and automobile handling facilities for Chicago, Texas and California.

Other major improvements include the replacement of 417 track miles with continuously welded rail and the construction of a 31-mile spur track to serve new sulphur deposits in West Texas.

And we're constructing 2,000 miles of Gulf Central Pipeline to transport anhydrous ammonia from producing areas of Louisiana to the farmlands of central U.S.A.

We want to serve you better, no matter how you want to ship: by rail, by highway, Piggy-Back or container, and by pipeline. And through industrial development, we can provide plant sites across 13,000 miles of one of the fastest growing sections of the U.S.A.

We helped build America. Now we keep it moving.

Career Spans 25 Years in 4 States

Baldy View Teacher Retires to 29 Palms

After 25 years of teaching in four different states, Octavia Cogswell -- fourth grade teacher at Baldy View elementary -- is retiring this year. She has taught at Baldy View for the past eight years.

Her decision to teach was "something in the blood," Mrs. Cogswell explained. Her father, John Harriman, was the first teacher in the state of Indiana to receive a life license, or permanent credential. He taught high school science and received the license probably about 1912.

"When I was growing up," Mrs. Cogswell said, "I thought, 'I'll never be a teacher.' Then later I decided that's what I wanted to do."

Now that school is out, Mrs. Cogswell and her husband plan to move to 29 Palms, where they have built a house. Mr. Cogswell retired last year after 40 years with the Westinghouse Electric Corporation. The couple expect to relax, travel, and go camping with their two children and four grandchildren.

Teaching is also in the blood for the Cogswell's daughter, Mrs. Jane Miccio. She teaches fifth grade in Azusa and has taught there for eight years. Their son, Charles, is employed at General Dynamics.

Mrs. Cogswell has taught second, third and fifth grade, but likes the fourth grade best. "The children are just coming out of the primary grades -- emerging and breaking away from their primary ways, and it is difficult for them."

The children are what Mrs. Cogswell has enjoyed most about teaching.

"I enjoy children -- watching them grow and watching them adjust to what they are going to have to face later on. And teaching is challenging. No two children and no two classes are alike. You can't use the same curriculum year after year because situations change."

Baldy View's retiring fourth grade teacher began her career in 1924 in a one-room schoolhouse -- a compulsory assignment -- in Charlestown, Ind. The following year she went to Clarksville, Ind., where she taught the fifth grade.

Her education and training has spanned her whole life. According to the requirements of that day, she attended Indiana State

OUR LIVING DESERT -- Octavia Cogswell, retiring fourth grade teacher at Baldy View, points to a desert mural illustrating the class's study of conservation. "I am a great believer in the conservation of wild life," Mrs. Cogswell said. She teaches her pupils the importance of leaving plants and animals in their natural environment.

Teachers College at Terre Haute for three years before she began teaching.

Through the years she has taken courses from time to time that she thought would benefit her in teaching, but it was not until 1964 that she completed the courses necessary to obtain a bachelor of arts degree in psychology from Upland college.

After leaving teaching in 1928 to be married and rear a family, Mrs. Cogswell resumed her career in 1948 because of a shortage of teachers.

She said many teachers had quit their jobs to work in war plants where they could earn about twice as much without having a degree. Women who had taught school before they were married were now being asked to come back. A degree was not necessary as long as they agreed to take refresher courses.

She taught second and fourth grade in Westfield, N. J., for five years before moving to Springfield, Pa., where she taught fourth grade for eight years.

One of the reasons the Cogswells came to California was that

they "did not want to retire in the cold climate of Pennsylvania."

Having taught in both the East and the West, Mrs. Cogswell said she does not believe children in eastern schools "are any farther ahead or have any greater ability" than children in western schools.

In the East, children read more because they are confined inside much of the time because of inclement weather. In the West, children are not used to being inside -- and it is easy to tell, she said.

Otherwise, the readers, spelling books, math, and social studies are virtually the same, except that California stresses its own history more than do New Jersey and Pennsylvania.

Of the different subjects, Mrs. Cogswell enjoys teaching math and science the best.

As a hobby, she and her husband like to take slides of historical places. They have traveled through the original 13 colonies and have followed the covered-wagon trails.

are asking for trouble" when sex between a man and a woman is shown.

He feels that sex education, sensitivity training and the new morality are undermining traditional values. He stated that some of the excesses in sex education are "supported by some that are Communist-oriented."

Wardle, San Bernardino County Clerk and a member of the Church of the Latter Day Saints, said, "Unless we weigh every class and program in the schools (concerning sex education) with modesty, chastity and responsibility, our children will pay a frightful price for our blindness."

Wardle, a father of six, said that some junior high textbooks on sex education are very exact concerning their descriptions of the biological functions.

He said that there was a tendency in students to test what they have learned in school. He also noted that some children will pretend that they like sex education to get parental approval.

He commented on the immense profit that will be made by companies who publish, manufacture, and distribute sex education material.

Wardle has been an American Legion District committee chairman since 1958. He was also a commander of the United Veterans of the Republic, president of the San Bernardino County Elective Officers Association, and founder and executive director of the Inland Empire Freedom Forum.

Commenting on the new morality, he said that it is "nothing more than the old immorality. The Bible's Thou Shalt not's are the guidelines for premarital sex."

Wardle stressed that women should be aware of what the school are teaching. He feels that it is a local issue and that the parents should decide if they want their children to be exposed to sex education in the schools.

Volunteers To Meet

Volunteer workers of the Upland Memorial Cancer Dressings Station will meet July 1 at 611 North Third ave., 9:30 a.m. to 2:30 p.m.

At the noon hour there will be time for a sack lunch with tea, coffee and dessert furnished.

Mrs. Dale Gross, chairman, has made a call for new workers. Due to the absenteeism during the summer vacation season additional workers are needed to keep the necessary supply of dressings on hand. Dressings are taken to the Ontario area office of the American Cancer Society for delivery to cancer patients. The dressings are free. For further information call 982-6003.

OES Social Club Meets

The June meeting of the Upland Chapter, Order of Eastern Star Social Club was held at the home of Mrs. Harvey Wilkins.

Following a contributed luncheon Mrs. Maude Grahame, president, presided at the business session, 23 were present. Among those present and introduced were Mrs. Betty Ripley, worthy matron and Mrs. Irene Furlone, deputy grand matron, and other luncheon guests.

Mrs. Jean Crego gave an interesting account of her visit to an Eastern Star meeting while on her vacation trip to Hawaii.

The next meeting will be held at the home of Mrs. Dale Gross, 767 Ninth Avenue, Upland, Wednesday, July 9, following a 10 a.m. brunch. Reservations are desired.

Jones-Tyree Nuptials Recited

Miss Diane Tyree, daughter of Mr. and Mrs. Job Field Mowe, 2437 Vista dr., Upland, became the bride of Lance Corporal Richard Maitland Jones, son of Mr. and Mrs. Paul C. Jones, 914 N. 2nd st., Upland, in an evening double ring rites at St. Mark's Episcopal Church, Upland on May 31.

The Rev. John D. Harrison of St. Marks performed the ceremony before 100 relatives and friends.

The former Miss Tyree wore a long, demigown gown highlighted with petite ruffles and sweeping to an imported organza wattleau chapel train. It featured short sleeves and a square neckline. Her headpiece was a three-tiered illusion veil held by lace petals accented with seed pearls and crystals. She carried a nosegay of white carnations, pink roses and stephanotis.

She was given in marriage by her stepfather Job Field Mowe.

Maid of honor was Miss Susan Carroll of Upland and flower girl was Miss Jolene Mowe, sister of the bride, of Upland. Standing with his brother as best man was Rod Jones of Sacramento. Seating guests were William Burns of Upland and Jay Jones of Montclair.

After a wedding reception in the church fellowship hall the couple left on a honeymoon trip to Yosemite and Lake Tahoe for two weeks. On their return, the bridegroom had orders to report for overseas duty in Viet Nam, June 22. He received the order on Thursday before the wedding. He is a member of the U.S. Marine Corps and has been stationed at the El Toro Marine Base as an electronic technician. A 1967 graduate of Upland High School he has served two years of a four-year enlistment with the Marines.

The bride, a 1968 graduate of Upland High School, attended Chaffey College. Currently she is employed by the Broadway, Montclair.

Sorority Tells Secret Sisters

Secret sisters were revealed at a recent "Around the World" dinner held at the home of Mrs. Gerald Neisen, bringing to a close the sorority year of Xi Gamma Kappa chapter of Beta Sigma Phi sorority.

The potluck dinner was planned by the social committee under the direction of Mrs. Donald Weiland. Gifts were exchanged and the 1968-69 chapter scrapbook was presented to Mrs. Edward Strauss, outgoing president, by Mrs. Robert Hart.

Special guests present included Mrs. Floyd Brewer and Mrs. Richard Lesondak, new chapter members, and Mrs. Kathryn Harris.

Mrs. Philip Evans

Afternoon Rites Link Evans-Fonda Names

A double ring ceremony united Susan Corinne Fonda of Upland and Philip Ross Evans of Cucamonga on June 15.

The Reverend Raymond A. Wasser conducted the afternoon ceremony at the Pilgrim Congregational Church in Pomona.

The bride's parents are Dr. and Mrs. Maxwell Peterson Fonda of 248 Harford Place, Upland. The parents of the bridegroom are Mr. and Mrs. George William Evans, of 8513 Country Club drive, Cucamonga.

The bride, who was given away by her father, wore a full-length gown of silk organza over taffeta, with a panel of alencon lace in front, short sleeves, brush train and a Victorian lace neckline. Her headpiece was a silk illusion veil attached to a pillbox hat which was accented with pearls and sequins. The pendant necklace of a large topaz sur-illusion veil attached to a pillbox hat which was accented with pearls and sequins. The pendant necklace of a large topaz surrounded by black marcasites set in sterling silver, worn by the bride, belonged to the bridegroom's grandmother. A nosegay of white roses and stephanotis formed the bridal bouquet.

The maid of honor was Carol Massey of Daton, Washington, a cousin of the bride. Bridesmaids for the ceremony were Marilee Ford of San Francisco; Sharon Anderson of Citrus Heights, Calif.; Ruth Janzen of Madera, Calif. and a cousin of the bride, Nancy Green of Glendale. Both the maid of honor and the bridesmaids wore full length gowns of green dotted swiss and carried nosegays of yellow daisies and mums.

The brother of the bridegroom, Steven Fonda of Upland, served

as best man. Ushers were Gary Bohot of Montclair, Steve Bryan of Upland, Dan Maxfield of Upland and Gary Seidel, cousin of the bride, from Burbank.

The flower girl, Wendy Evans of La Palma, Calif., is a niece of the bridegroom. Candle lighters were Richard Green and Billy Seidel. Barbara Ferrell served as guest book attendant. Frank Cummings of Pomona was the organist and accompanied the Pillgrim Quartet who sang.

The reception was held at the church following the ceremony for 300. A buffet supper for the bridal party and immediate family was held at the home of the bride following the reception.

Out of town guests included Mrs. Vance Thompson, aunt of the groom, from Indianapolis, Indiana; Mrs. James Irwin and her two children from Indianapolis; Bert Evans, the uncle of the groom, from Davis, Calif., and Mrs. Paul Seidel, aunt of the bride, from Hilo, Hawaii.

The bride is a graduate of Upland high school and attended USC and Chaffey College. She is a recent graduate of LaVerne College.

The bridegroom is a graduate of Alta Loma high school and a graduate of Chaffey College where he served as ASB president. He is now attending San Diego State College where he is majoring in Business Administration.

Indian Lore Studied By G.S.

Junior Girl Scouts from troops 1000 and 1104, Spanish Trails Council, gathered for a special program recently at the Los Olivos Community Building in Upland. The program focused on Indian lore, art and culture. Members of Troop 1000 had been working toward their Indian Lore badge with the assistance of Mrs. Walton Cole of Claremont, who has lived among the Indians and has lectured on them extensively.

The troop project proved so interesting, it was decided that they share their experience with Troop 1104, along with baking and serving their guests Indian bread, baked under the direction of Mrs. Morris Smilkstein. Requirements for the Indian Lore badge include Indian dancing, lore, weaving, songs, pottery and moccasins making. Other adults involved in the program were Mrs. Tada Sato, leader of Troop 1000; Mrs. Charles Welby, assistant leader; Mrs. Oren Doeg, leader of Troop 1104; and Mrs. Frank Angulano, assistant.

POLICE SCIENCE GRADUATES -- Upland policemen who recently received their AA degrees from Chaffey college in Police Science are (from left) Gary Hart, Jerry Wulf, Thomas Smith, Police Chief John Wessely, congratulating the class, Jeanne Fisher, Vernon Aguayo, Fred Schneider, Brad Myers, and Chris Hershorough.

Police Graduates Honored By City

Chief of Police John A. Wes- sely has announced that nine members of the Upland Police Department received their As- sociation in Arts Degree in Po- lice Science at Chaffey College.

The nine graduates, all at- tending college during their off duty hours, include the follow- ing:

Sgt. Fred Schneider, Sgt. Tho- mas Smith, Detective Merle Ar- neson, Senior Patrolman, Jerry Wulf, Patrolman Gary Hart, Pa- troldman, Vernon Aguayo, Pa- troldman, Bradley Myers, Pa- troldman, Christopher Hershough, and Dispatcher Jeanne Fisher.

When Chief Wessely took of- fice twelve years ago, he es- tablished a policy of encourag- ing the members of his depart- ment to continue their educa- tion at the college level. Law enforcement is rapidly becoming a highly complex and technical profession. In order to cope with the ever changing profession, the need for higher education is apparent," said the Chief.

The results of the Chief's po- licy in encouraging education is fifteen members of the depart- ment hold an Associate in Arts Degree, each officer having ob- tained an average of 46 college units to date, and 1,000 college units accumulated by all mem- bers of the police department.

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION
SHERIFF'S SALE
No. COMP D 851

IRENE J. COATS Plaintiff
vs.
OTIS L. COATS Defendant

By virtue of an execution issued out of the Superior Court, Los Angeles, County of Los Angeles, State of California, wherein IRENE J. COATS Plaintiff, obtained a judgment against OTIS L. COATS Defendant, on the 31st day of August 1951, for the sum of ELEVEN THOUSAND SEVENTY-THREE and 00/100 Dollars, lawful money of the United States, besides costs and interest, I have levied upon all the right, title, claim and interest of said Defendant OTIS L. COATS or, in and to the following described real property, situated, lying and being in the County of San Bernardino, State of California, and bounded and described as follows:

The West 100 feet of the North 200 feet of Lot 19, Block A of the Pomona Grade Tract, as recorded in Book 19, Pages 11 and 12, maps San Bernardino County.

Therefore, Public Notice is hereby given, that on Tuesday, the 22nd day of July A.D. 1969, at 10:00 AM of that day, in front of the North Door of the Court House, City and County of San Bernardino, I will sell all the right, title, interest and estate of the above named defendant, in and to the above described property, or as much thereof as may be necessary to satisfy said judgment and execution, with all costs, to the highest and best bidder for cash, lawful money of the United States.

Civil Air Patrol Cadets Promoted

At the recent graduation ceremonies of the Civil Air Patrol Cable Cadet Squadron 25, the following cadets were promoted to the rank of cadet basic and received the General J.F. Curry ribbon: Carol Bowers, Claudia Curry, Cecilia DuVall, Carl Gottsock, Stephen Graham, Jim Guffy, John Lawson, Randy Marlett, James O'Malley, Mary O'Malley, Robert Potts, Lani Sadler, David Sears, William Smith, Richard Spangler, Anthony Ventura, Monte Weaver, and Larry Wolfe. These awards were given for completing the Phase I program composed of the theory of flight, C.A.P. customs and regulations, and military courtesies.

In Phase II, the following cadets were awarded the Charles A. Lindbergh ribbon and were promoted to the following ranks: William Culbreth to cadet master sergeant, Ted Cumberland to cadet staff sergeant, Christopher Knopp to cadet staff sergeant, Edmund Montgomery to cadet technical sergeant, William O'Blasney to cadet sergeant, Bret Ray to cadet first class, and Richard Sullivan to cadet master sergeant. These awards were given for the completion of Navigation and the Weather.

In Phase III, the following ca-

det officers earned the rank of cadet first Lieutenant: Linda Fisher, Michael Murphy, and Michael Neubauer. These awards were given for the completion of a complex staff duty analysis and certain book reports.

The following cadets earned the cadet recruiter ribbon: Richard Davis, Richard Spangler. These cadets were awarded a clasp for their cadet recruiter ribbons: Michael Neubauer, Edmund Montgomery, Marie Montgomery, and Richard Sullivan.

Captain Mayer, commander of Squadron 25, presented a welcome speech to the audience and awarded all ribbons. Lieutenant Fisher presented a speech and prepared two skits depicting C.A.P. activities and flying.

Lieutenant Montgomery participates very actively in the squadron and now heads a C.A.P. Parents Auxiliary group which acquaints parents of cadets with the Civil Air Patrol Program.

If you are interested in the Civil Air Patrol Cadet Program, please call 985-5657. Boys and girls between the ages of 13 and 18 may join. Meetings are held every Tuesday night, 7 to 9:30 p.m., Cable Airport, West 13th st., Upland.

Citrus Students Compile City Book

A Tour of Upland is the title of a book about our community written and illustrated by third graders in Room 9 at Citrus Elementary School. This project has been underway for several months as part of the social studies curriculum.

Each child selected a topic or place in Upland to write about. Parents took their children to these places or, occasionally, arranged trips for the entire class. As a group, Room 9 visited the First National Bank of Ontario. Their follow-up pictures netted 5 children Kennedy half-dollars as prizes. These winners were Dawn Prastitis, Donald Stewart, Stephanie Lucas, David McNichols, and Pam Frye. Mrs. Ben Alvarez arranged the trip.

The students also visited the new fire station, the police department and the City Hall. Mrs. Jack Hipple arranged these tours and she and Mrs. Larry Fox accompanied the children.

Ben's Enco Service Station was the final group trip. Pens, key chains, balloons and candy were given each child by the owner, Ben Alvarez, as they left.

In addition to these places, the children traveled by bus the entire length of the now-vanished mule car line once op-

erated on Euclid Avenue and they had the opportunity to see many historical places of interest.

There are more than 20 chapters in A Tour of Upland. Steve Steslicki and Gregory Mazzio chose the Police Department to write about; Joe Ambros, the two fire stations; Amy Sheffield, local doctors; Stephen Kuhn, nurses; Linda Goggin, San Antonio Hospital; Michael Woody, Cable Airport; Marc Hipple and David Fox, City Hall and city government; Dawn Prastitis, the Upland News; Brad Larned banks; Tom Dryden, Lisa Bonser, and Kim Cook, schools; Jim Moore, and Sherry Hernden, the new library; Mary Florian, parks; Donald Stewart, grocery stores; Bill Alvarez, service stations; Gregg Hoyle, restaurants; Stephanie Lucas, telephone service; David McNichols, bakeries; Sherry Lynch and Virginia Copp, churches; Pam Frye and Carrie Amick, the Post Office; and Keith

Hardin and Gerald Hurndon, nearby places of interest.

The book was typed by a mother, Mrs. Robert Hoyle. As groups of these pages were completed, the class put them in order into books.

Uplander Heads Cal Poly Faculty

Frank A. Tennant, professor of communication arts, has been elected chairman of the California State Polytechnic College's Kellogg-Voorhis, Pomona Faculty Senate. He succeeds Lloyd Kramer of Claremont, Cal Poly chief of reader services, who has held the chairmanship for two years.

Dr. Earl L. Pye, physical sciences professor, was elected senate vice chairman.

Tennant joined the Cal Poly faculty in 1955. Since that time he has served the senate as vice chairman, chairman of the election and procedures committee, and chairman of the faculty policies committee. Before coming to Cal Poly he was a newspaper reporter, editor, and director of press relations for the U.S. Army. He resides at 1779 N. Second ave., Upland.

Two ex-officio members of the Cal Poly Senate were honored by members: Dr. Vincent E. Parker, dean of the School of Science, Upland; and Harold P. Skamser, dean of the School of Engineering, Covina.

Uplander SD Graduate

Michael Pompa, III, graduated from San Diego State with Bachelor of Science a Physical Education degree, at its recent graduation.

He is the son of Mr. and Mrs. M.F. Pompa, 2445 Ocean View dr., Upland and was on the varsity football team at Upland high school. He will go onto graduate school for an advanced degree.

Ralph Miller Quits Post

ALTA LOMA -- Ralph H. Miller, a member of the Chaffey Junior College Board of Trustees for 10 years, resigned his post Tuesday night.

His resignation effective immediately was accepted by fellow board members at a regular meeting "with deep regret."

Miller's term will be filled by board appointment. It continues to 1971.

"Serving on the school board is taking increasingly more time," Miller told The Daily Report. "I am resigning because I want to be in a position to have more time to devote to my business."

Miller is a West End realtor and land developer.

He became a member of the board in July 1959 serving as chairman in 1962-63.

Mary K. Allen Rites Thursday

Final rites for Mary Katherine Allen, 66, of 385 Vernon dr. Apt. B, Upland, were conducted at 10:30 a.m. at the Stone Funeral Home on Thursday. She died Monday at San Antonio Community Hospital.

A native of West Virginia, she had resided in the West End 29 years and was a member of the Ontario First Christian Church.

Surviving are a daughter, Mrs. Betty Coyle, Upland; one son, Donald R. Allen, Goldsboro, N. C.; two brothers, J.P. Jackson, Weirton, W. Va., and G. C. Jackson, Baden, Pa.; and six grandchildren.

The Rev. Byron F. Mayfield, pastor of the Ontario First Christian Church, officiated.

Entombment was at the Bellevue Mausoleum.

LDS Group Embark On Salt Lake Trip

On June 23 at 4 a.m., a group of 36 sleepy-eyed but excited girls embarked on an 800-mile journey to Salt Lake City, Utah.

These girls, ranging in age from 13 to 17, boarded a chartered bus along with women coun-

selors and young women co-counselors and headed for the 100th anniversary celebration of the Young Women's Mutual Improvement Association June Conference at the Latter-Day Saint Tabernacle in Salt Lake City. This group has been involved

in fund-raising projects since September of 1968 to raise enough money, over \$1,500, to make the trip. They have sold safety flares, candy, pizza and many other items since that time.

Families in Salt Lake are tak-

ing these girls into their homes for their week's stay during which they will take tours to famous places and participate in the Church's annual dance festival and various other Centennial activities.

Dog Licenses Due

Only a few days remain for dog owners to get their pet's license renewed. The old ones expire on June 30 and penalties will start on August 1. Dogs without licenses are subject to pick up, held at the city pound until identified by the owner, there is a charge for obtaining them, city officials point out.

Fees are \$2 for spayed females and males and \$4 for females. Proof of a current rabies vaccination must also be submitted, city officials added.

Paul Shiro Named Spartan Of Month

Paul Shiro, next year's senior class president, has been chosen to represent Damien as Spartan of the Month for June.

Having been class president in his freshman year and vice-president in his sophomore year, Paul has shown himself to be a true reliable Spartan, but now moving into his fourth year, Paul, not only has proved himself to be a leader but a leader filled with spirit.

Serving as the Key Club President for two semesters has given Paul an ideal chance to better Damien, and Paul has used this opportunity wisely. Giving toys and

goods to needy children, planning a beach trip and dances are among his numerous contributions to the school. One contribution from the Key Club that stands out more than the others is the "D" that was built on the hill in back of the school.

Not only does Paul's spirit stand out when he is in a club, but also on the football team. Paul lettered on the J.V. team as a freshman and as a varsity player the following years.

This has been a most successful year, but next year will be even greater knowing that we have a leader like Paul Shiro among us.

SCHOOL BUSINESS -- was the topic of this discussion between Upland school officials and their wives and Congressman Jerry Pettis. The visitors were in the Congressman's Washington office recently. They are (left from Pettis) Mrs. Vern H. Orum, Mrs. John E. Shewis, Dr. Skewis, clerk of the Upland School District Board; and Orum, district superintendent.

PSA To Offer San Diego Air Service Daily

Pacific Southwest Airlines will start flights between Ontario International Airport and San Diego Friday, as part of its expanded operation.

One flight a day will leave San Diego at 7 a.m. and returns at 9:35 p.m. On Sunday, the flight leaves San Diego at 9 a.m. and returns at 11:20 p.m. The northbound flights will continue from Ontario to San Francisco. PSA officials announced they will increase the present 900 flights per week to 1,158 effective June 20.

The expanded service will offer hourly flights both north and south between Los Angeles and San Francisco; a flight in both directions every 90 minutes between Los Angeles and San Jose and Los Angeles and Oakland, and the two flights per day between San Diego and Ontario.

"PSA has always attempted to provide flights designed, to make it easier on the passenger," said J. Floyd Andrews, airline president. "With our new hourly flights, most of our passengers don't really need a schedule. If he misses one flight, there is another coming along in 60 minutes."

The recent delivery of two 158-passenger Boeing 727-200s increases the PSA fleet of "stretch" aircraft to 13. By the end of 1969, PSA will have 15 Boeing 727-200s and 10 Boeing 737-200s to carry the additional loads expected with the new schedule.

To Join Inland

ONTARIO -- Raymond Vukich, a data processing specialist since 1946 and former manager of the State Mortgage Co. of San Francisco, has been elected vice-president of Inland Bank and named Director of the Bank's Data Processing Center here.

Mr. Vukich is a native of St. Louis, Mo., and a graduate of Ohio State University (A.B., 1937). He also attended Golden Gate College, San Francisco, and the Accounting College of the Pacific, Los Angeles; with specialized data processing training in IBM seminars.

He was affiliated with Comet Computer of Hayward, Calif., as a general manager for one and half years. He is a member of the Data Processing Management Association.

Mr. Vukich is married to the former Dorothy Saranovich of Galveston, Tex., and they have three children, Gordon 23, Alexandra 19, and Stefani 15. They plan to make their home in Ontario.

Extend Streetcar Run Until July 3

Due to popular demand the Valley Community Theatre will extend its production of Tennessee Williams' "A Streetcar Named Desire," through Saturday, July 5.

Curtain time is 8 p.m. No one under 16 will be admitted.

There will be no performance this Saturday, June 28, due to the VCT Awards Ceremony and Banquet. For reservations call 622-6954.

Air West Launches Three New Spaceships This Week

AIR WEST 'SPACESHIPS' -- Triple exposure? No, this was a trio of 550 mph Douglas DC-9 'stretched' jets which joined the Air West fleet in June after an unprecedented 350-mile flight in formation from Long Beach to Phoenix, Arizona. They and 13 others of the late-model DC-9 twinjets are now operating with the new 84-seat Air West spaceship configuration between major cities on the regional airline's 10,800-mile system in eight western states, Canada and Mexico.

The next launching of a spaceship won't be to the moon. Acting under special authority granted this month by the Civil Aeronautics Board, Air West launched its own 'spaceships' June 15 at all of the major airports it serves in the West.

The space vehicles it will use are Douglas DC-9 'stretched' jets which Air West is stretching inside as well as out through a realignment of seating. As a result, every Air West passenger will enjoy substantially more 'stretch' space on the company's 15 new super DC-9 jets.

Air West's last new Series 30 stretch jets have contained 99 passenger seats each up to now. In the 'spaceship' configuration the number is reduced to 84, providing more leg and knee room between all seats than is provided by any other domestic airline in this country.

Rows will remain five seats abreast.

The move will give Air West passengers a big advantage in foot room. Air West president G. Robert Henry noted that

some of the objections filed with the C.A.B. by competitive carriers termed the company's proposal a 'luxury service', and said that the new configuration offers 'a substantially larger

pitch than is utilized by the industry in first class service.'

'This will be a sheer flying Utopia for air travelers and a foretaste of things to come in the age of jumbo jets', he said.

All fifteen of the stretched jets in the Air West fleet will be converted to the spaceship theme, and will be offered without any extra charge for the spacious seating arrangement.

Operating with one of the best on-time performance records in the entire industry, according to Henry, Air West will be providing a quality of service second to none.

TIRES FAMOUS FOR QUALITY

Keeping your home as dust-free as possible will afford relief to allergy victims in your family. Other helpful aids to keep the replacement of dust-collecting cloth curtains with the low-pile or washable rug. Washed interior walls of the home should help the allergy sufferer.

A Woman in Agony Can't Stop ITCHING

When a woman's skin is itchy, she knows it's time to call for help. In the case of Mrs. J. M. Smith, the itching was so bad that she had to leave her home. She had been using a lot of medicine, but nothing helped. She was so miserable that she had to go to the hospital. The doctor told her that she had a severe allergic reaction to the medicine she was taking. She had to stop taking the medicine and the itching went away. She was so happy that she had found a way to stop the itching.

Islanda Hotel Now Property PS Airlines

J. Floyd Andrews, the President of the Pacific Southwest Airlines (PSA) today announced the purchase of the Islandia Hotel on San Diego's famous Mission Bay and revealed plans for many improvements, including the addition of a high rise tower. The transactions and planned improvements are subject to the approval of the San Diego City Council.

"The total package, including planned improvements, will come to approximately \$5-million," Andrews said. Islandia facilities now

include 105 rooms, heated pool, restaurant, cocktail lounge, private banquet and meeting room with a 150-slip private marina offering boating and sport - fishing conveniences.

PSA has requested approval of the City of San Diego, owners of the land on which the hotel sits, to add a 10 to 14-story tower that would give the Islandia a total of from 280 rooms to 400 rooms. Also on the drawing boards are plans to expand the present marina to 200 slips, and all-new

all - modern fuel dock, more fishing boats and many more conveniences for fishermen.

World Balladeers, Marais and Miranda To Give Concert, Friday, June 27

World balladeers Marais and Miranda, with Carol Merrill, will give the first evening concert of the 1969 summer season at the University of Southern California - Idyllwild School of Music and the Arts Friday, June 27.

The performers, who play some 10 to 12 instruments as accompaniments, will appear in a benefit program for Isomata scholarships at 8:15 p.m. in Bowman Art Center on the Idyllwild campus.

Tickets may be obtained at the door.

Miranda has just joined Local 47, Musician's Union, as a player of the Berda, a 100-year-old instrument shaped like a guitar, fretted, and standing almost five feet tall. She also plays the melodica (mouth organ), the drums and other percussive African instruments. Marais plays classic guitar along with several ancient instruments including the Viol d'Amore and the tiny Viol de Po-

chette (dancemaster's violin) both made around 1650. Miss Merrill, former counselor at USC-ISOMATA, plays the guitar.

At the concert, fans of the famous husband and wife team and Miss Merrill can look forward to hearing such old favorites as Marais' composition, "Marching to Pretoria," as well as new songs never presented in this country.

Ed Ames Added To Pop Concert

Ed Ames, the last artist to be announced for the Saturday night "Pops" concert in Hollywood Bowl this season, H. will be soloist with the Hollywood Bowl "Pops" Orchestra conducted by Hugo Montenegro on August 23.

Ed Ames left the Ames Brothers group to enlarge the scope of his talents with such success that he is listed as singer, entertainer, club performer and recording star, and he aspires to become a director.

Several of his albums and single records have sold over a million, and his hits started with his first recording "Try to Remember" and include his first Gold Album "My Cup Runneth Over."

The first Saturday "Pops" of the season will be on July 12 when John Green conducts the orchestra in the Rodgers and Hammerstein Gala. The Hollywood Bowl box office is open every day except Sunday, from 10 a.m. to 6 p.m. for sale of tickets to all performances.

The Marine Corps was established by Congress, June 25, 1776. Gunder Hagg set a new record for the 2-mile run: 8:46.4, June 25, 1943. Fifty nations signed the new League of Nations charter in San Francisco, June 26, 1945.

British Stamp
The British postal system was introduced to Bermuda by William B. Perot. In 1848, he and his friend J.B. Heyl made the first penny postage stamp. Its present value is in the neighborhood of 6,000, and it is among the rarest of collector's items.

Safety Innovations Would Save 200 Lives Annually

SACRAMENTO -- Two hundred lives will be saved annually and 3,900 accidents avoided if a multi-million dollar program designed to eliminate trouble spots from California State highways proves as successful as traffic engineers and computers predict.

James A. Moe, State Director of Public Works, recently announced that during the next 12 months his organization will spend an excess of \$24 million on safety improvements on highways now open to traffic.

The projected savings in lives and accidents are based on experience gained from similar programs conducted during the past three years. During that period, approximately 2,000 projects were completed.

Recent one year "before and after" studies on a 221 - project cross section reveal total accidents at those locations were reduced 22.8 percent; fatal accidents (one or more persons killed) 52.8 percent; fatalities 61.7 percent; accidents involving injuries 24.6 percent; and property damage only accidents 20.9 percent.

In preparation for the coming program, a computer was used to identify exact locations with abnormal accident records. Traffic engineers then visited each site and determined the physical causes and corrective actions to be taken.

Although modifications take many forms, all are intended to achieve the same purpose -- to make the thoroughfare more comparable to the driver.

The more common include: (1) easing or eliminating curves, (2) construction of left turn storage lanes, (3) grooving pavement to increase skid resistance, (4) installation of traffic signals or highway lighting, (5) installation or modernizing of median barriers and guard rail, (6) widening narrow bridges and short highway sections, (7) removal or repositioning to less vulnerable locations such fixed objects as sign posts, light standards, drainage structures, and

(8) installation of break-away bases on sign posts and light standards located on the right of way.

The increased emphasis on this type of State highway safety in California is reflected in the amounts earmarked for the program. It was funded with \$6,739,000 in the 1965-66 fiscal year, \$10,214,000 in 66-67, \$17,741,000 in 67-68 and approximately \$22,264,000 in the current fiscal period that ends June 30. All funds were derived from highway user taxes.

The 1965 California State highway fatality rate was 4.79 deaths per 100 million vehicle miles of travel -- a year in which these highways carried 45.9 billion traveled miles. This fatality rate was reduced to 4.47 in 1966 when 49.1 billion miles were traveled, to 4.36 in 1967 when 51 billion miles were traveled, and last year to the lowest rate in modern times -- 4.05 -- when travel on the system reached 53.9 billion miles.

Hay fever is a term covering most nasal allergies. Dust, animal hair, feathers, food and medicines all can cause "perennial" hay fever. The "seasonal" kind is due to tree pollens in spring, grass in

summer, and ragweed, the most common, in the fall. According to the National Tuberculosis & Respiratory Disease Association, 10,269,000 Americans suffer from some form of hay fever.

so Part 1, Swimming Pools,
Section 8210.1, to read as fol-
lows:

A. Section 1.1. Administra-
tive Authority and Assistants.
Whenever the term "au-
thority" is used in this Code
it shall be construed to mean
the Chief Building Official or
his authorized representa-
tives.
B. Section 1.2. Assistants.
Whenever the term "as-
sistants" is used in this Code
it shall be construed to mean
the Building Inspector or any
other authorized representa-
tives.
C. Section 1.3. Department
Having Jurisdiction.
Unless otherwise provided
for by law the Office of the
Administrative Authority shall
be a part of the Building
and Safety Department.
D. Section 1.7. Violations
and Penalties.
Any person, firm, or cor-
poration violating any of the
provisions of this Code shall
be deemed guilty of a misde-
meanor and upon conviction
thereof shall be punishable
by a fine of not to exceed
\$500, or by imprisonment in
the County Jail for not to ex-
ceed six (6) months or by
both such fine and imprison-
ment. Each separate day or
any portion thereof during
which any violation of this
Code occurs or continues shall
be deemed to constitute a sepa-
rate offense and upon convic-
tion thereof, shall be punish-
able as herein provided.
The issuance or granting of
a permit or approval of plans
and specifications shall not be
deemed or construed to be a
permit for or approval of any
violation of any of the provi-
sions of this Code.

No permit presuming to give
authority to violate or cancel
the provisions of this Code
shall be valid except insofar
as the work or use which it
authorizes is lawful.
The issuance or granting of
a permit or approval of plans
shall not prevent the Adminis-
trative Authority from there-
after requiring the correction
of errors in said plans and
specifications or from pre-
venting construction opera-
tions from being carried on
thereunder when in violation of
this Code or of any other or-
dinance or from revoking any
certificate of approval when
issued in error.

Every permit issued by the
Administrative Authority under
the provisions of this Code
shall expire by limitation and
become null and void if the
work authorized by such per-
mit is not commenced within
sixty (60) days from the date
of issuance of such permit. Or
if the work authorized by such
permit is suspended or aban-
doned at any time after the
work is commenced for a
period of sixty (60) days. Be-
fore such work may be re-
commended a new permit shall
first be obtained to do so.

E. Section 1.10. To Whom
Permit May Be Issued.
a. No permit shall be issued
to any person, firm or cor-
poration to do or cause to be
done, any construction or work
regulated by this Code except
to a person, firm or corpora-
tion holding a valid, unex-
pired and unrevoked, Master
Plumber's License issued by
the State of California, also
a valid Business License is-
sued by the City of Upland.
b. No permit shall be is-
sued to any person to do or
cause to be done any sewer
or private sewage disposal
system work regulated by this
Code except to a person, firm
or corporation holding a valid,
unexpired and unrevoked Cali-
fornia State Contractor's Li-
cense and a valid Business
License issued by the City of
Upland for that purpose and
a current Sewer Tapper's
Bond, Section 7530.2 and
7530.3 of the Upland Munici-
pal Code.

c. Any permit required by
this Code may be issued to
any person to do plumbing
or drainage work regulated
by this Code in a single-fam-
ily dwelling designed exclu-
sively for living purposes in-
cluding the usual accessory
buildings and quarters in con-
nection with such building in

one (1) lavatory for each sex,
plus one urinal for each men's
room. These rooms shall be
plainly labeled. See Section
5100.4e, Section 11 of the Upland
Municipal Code.

Exception - Where it can
be definitely established to
the satisfaction of the Ad-
ministrative Authority that
there will not be more than
six (6) male persons using
such a urinal in a period of
any one day, the require-
ment of a urinal may be waived
provided there is installed in
lieu thereof an extended-top
elongated bowl, equipped with
a self-rising seat, provided
further that where the urinal
is eliminated, the owner of

the property shall provide a
letter stating therein that
whenever the number of male-
users of said facilities ex-
ceed six (6) then a urinal
will be installed. Note: For floor

Upland Launches Extensive Recreation Program This Week

Summer is here and the Upland Recreation Department is again ready with its summer recreation program to provide interesting activities for youngsters and adults. The program got under way on Monday and will continue until August 8, George Schlens, Recreation Director, is in charge of the program.

A recreation supervisor is available at the following schools from 1-4 p.m. to check out games and play equipment and organize tournaments for boys and girls of school age:

Sierra Vista, Vaughn Engle supervisor; Foothill Knolls, Cary Dockery supervisor; Citrus, Steve Mullen supervisor; Baldy View, Stan Stump as supervisor; Magnolia, Murry Smilstein supervisor; Cabrillo, Gordon Engle supervisor; Sycamore, Steve Helse, supervisor; Upland Junior high, Tom Gabonay supervisor.

Centers are available Monday through Friday. Activities at Upland high school include: Gym activities under supervision of Paul Trautwein Mon. through Thursday from 7-9:30 p.m. for boys and girls of junior high, high school, college and adult ages. Basketball Mon. through Thurs. 6-9:30 for boys ages 13 and up; coed volleyball Tues. and Thurs. 7-8 p.m.; elementary basketball Mon. and Wed. from 7-8 p.m.

Weight training will be given Monday through Friday from 6:30-9 p.m., beginning June 16 and continuing until the end of August. The wrestling program will be headed by George Beardsford who will instruct boys 7 to 13 years in the gym on Monday through Thursday, 9 a.m. to noon; ages 14 and up will meet in the weight room 6:30 to 9 p.m., Mon. through Thursday. Dual matches will be scheduled during the summer.

Tennis instruction will include three series of free instructional classes for beginning, intermediate and advanced players above nine years including adults. First series will be June 23 to July 11; second July 14 to July 25; third from July 28 to August 8. More than one series may be attended if desired and rackets and balls will be furnished for those who need them. Classes will meet Monday through Friday at the following schools:

Upland high courts will have classes at 8, 9, 10 and 11 a.m., and 1 and 2 p.m. for beginners, intermediates and advanced students under instruction of Tom Dutches, Tammy Millichak and Louie Engle. Pioneer junior high will have classes at 9, 10 and 11 a.m., instructed by Mary Cyphers. Upland Junior high will have classes at 1 and 2 p.m. with Louie Engle as instructor. Novice tournaments will be held week of July 14-18; the West End Closed Tournament will be announced later.

ARTS AND CRAFTS Coordinated by Mrs. Polly Moritz, there will be instructions in figurines, painting, leather and copper work, shell jewelry, finger painting, braided plastics, and mo-

saics for boys and girls ages 6 through 16.

A theme will be observed each week with an open house August 6 at the Upland Community building. A fee of 25 cents per week will be charged for materials used during the program. It will be held Mondays through Fridays at the following craft centers:

9 a.m. to noon and 1-4 p.m. at Sierra Vista, Foothill Knolls, Magnolia, Citrus, Baldy View and Upland Junior high; 1-4 p.m. only at Cabrillo and Sycamore. Woodshop classes will be held from 9-12 noon at both junior highs and from 1-4 p.m. at Pioneer. Tools will be furnished, but a small fee will be charged for materials. Trained instructors will teach the program Monday through Friday for boys and girls age 10 and up.

The metal shop at Pioneer Junior high will be available from 1-4 p.m. with instruction by Dale Exline. Tools will be furnished.

STORIES & SONGS Boys and girls ages 4 through 7 can enjoy story telling and learning songs Monday through Friday under the supervision of Miss L. Jones Monday through Friday at Citrus, 9 to 9:45; Baldy View, 10-10:45; Foothill Knolls 11-11:45; Sierra Vista, 1-1:45 and Magnolia 2-2:45. The program will be offered at Cabrillo on Mon. and Wed. from 3 to 3:45 p.m. and Sycamore on Tues. and Thurs. from 3 to 3:45 p.m.

A Reading Club will be held at the Upland Public Library for young patrons, kindergarten through junior high with a program "Haunting for Good Books." Pre-schoolers may take part in the program "You Read to Me." Each time their parents tell the librarian the name and author of a book they have listened to, it will be entered on their Hooting-Owl Tree. The game will begin June 16 and finish August 16.

BALLET & BATON Hourly ballet classes will be held by Mrs. Shelley Monday through Friday, 9 to 12, for girls ages 6 through 14. Registration will be June 23 in the Upland high girl's gym. At the end of the summer program, additional classes will be conducted on Saturday morning until December. For additional information, call 982-6109.

Miss Linda Fisher will supervise baton twirling for both boys and girls, ages five and up. Classes will be organized according to age and ability with registration first day of meeting. Students must furnish their baton. Centers for instruction are Upland high gym Monday and Thursday from 9-12 noon; Magnolia, Monday and Thursday 1-4 p.m.; Sierra Vista, Tues. and Fri. 9-12; and foothill Knolls Tues. and Fri. 1-4 p.m.

Fencing for boys, girls and adults will be held at Upland high girls' gym 6-9 p.m., Mon., Wed. and Fri. under instruction of George Weidmann. The Department will furnish equipment for those who wish to learn and instruction will continue after summer, but a small charge will be made then. Call 987-1896 for addi-

tional information.

Archery at Memorial Park will be instructed by Miss Mary Cyphers Monday through Friday from 1-3 p.m. Bows and arrows will be furnished for beginners and advanced boys and girls 8 years old and up, also adults. There will be target shooting, field archery and clout shooting. Meetings are just north of the skating rink.

GROUP SINGING A new addition to the program this summer will tie in with arts and crafts theme each week. Led by Mrs. C. Eagleton, the group singing centers will include Magnolia, 10-10:45; Sierra Vista, 11-11:45; Foothill Knolls, 1 to 1:45 p.m.; Upland Jr. high 2-2:45 - all on Wednesdays. Offered on Thursdays at Baldy View from 11 to 11:45 and Citrus from 1-1:45.

SWIMMING Classes at Upland high pool will be held every two weeks Monday through Friday from 8:45 to 11:45 by accredited teachers with a small fee charged for instruction. Recreational swimming is available for all ages 1-5 p.m. each afternoon, including Saturdays and Sunday. Call the plunge, 982-1395 for information. Sewing classes are also a new activity for girls 9 through 13 years of age under Miss Lynn Deffenbaugh. The girls will be taught finger sewing, embroidery, knitting and crocheting. Two classes are offered Monday through Friday: 9-12 at Magnolia and 1-4 p.m. at Upland Junior high.

Band will be offered to boys and girls 4th through 8th grade at the two junior high schools beginning June 23 under direction of Earl Torbensen and R. Comito. Offered 8-12 and 1-3 at Pioneer and 1-4 p.m. only at Upland.

MIDGET BASEBALL Each weekday, 9-12, to boys 7 to 10, instruction will be given at Upland high, Magnolia, Citrus, and Foothill Knolls. Organized games will be played. Boys should furnish their own glove and report to the field most convenient.

GUITAR & UKULELE Guitar for beginners, boys and girls, ages 10 to 16, will be instructed at Baldy View Tuesday and Thursday, 9-10 a.m., and Upland Junior high Monday and Wednesday, 2:30. Advanced beginners, boys and girls, ages 10 to 16, will be given at Upland Junior high Mon. and Wed. at 3:30. A cost of \$12. will be made for 14 lessons, but there must be 6 to 10 students signed up for each lesson or session. Fees will be payable on the day and time lessons are scheduled.

Adult guitar class will be held Monday evening at Upland Junior high from 7:30-8 p.m. with a fee of \$8 for 6 lessons. Ukulele will be taught Monday from 1:30 to 2:15 p.m. at Upland Junior high with a fee of \$4 for 6 lessons, but there must be 6 to 14 students enrolled. Mrs. Carol Ann Eagleton will conduct these sessions and additional information may be obtained at 985-6834.

Dan Milakovich, Assistant Recreation Director says, "This is your recreation program--take time to enjoy it!"

John M. Clark Dies Suddenly

Word was received today in the West End area of the death of John M. Clark, (Jack Clark) 4161 Tuljunga, Studio City. Mr. Clark, 47, was a former well-known Buick dealer in the Ontario area, and in the past number of years has been involved in Land Development throughout Southern California. Mr. Clark's death was due to a sudden heart attack.

Jack Clark was the son of the late Mr. and Mrs. Glen R. Clark of Ontario, and a nephew of the late Earl Clark of Pomona, owner of Clark Brothers Buick in Pomona.

Mr. Clark attended local schools, graduating with the Chaffey High School Class of 1939. He also graduated from Chaffey College in 1941 and later continued his education at the University of California at Santa Barbara. During World War II, Jack Clark served as a pilot with the Naval Air Corps in the South Pacific.

The next of kin includes his son Glen Clark, 16, of Illinois, and his sister Miss Kay Clark of the above address. Mr. Clark is also the nephew of Mr. and Mrs. Gus Simmers of Pomona. Graveside rites were held on Tuesday in Oceanside.

UPLAND SWIMMING INSTRUCTORS -- A full assembly of swimming instructors and aides for the summer swim program line the high dive at Upland high school while manager Charles Whitham points to the sign that says "One person on board at a time." On ordinary occasions the instructors do abide by the rules. From left to right, bottom row, are Jesse Staples, Janet Flynn, Joyce Lowrey, Linda Morrill, Kathy Covert, Mary Fuller, Carol Flynn, Judy Rapaport, Rita Lowrey, Vicki DuVall, and Gary Kirkland. Top row standing, from left to right, are Dick McAllister, Alicia Scott, Scott Rose, Terry Turner, Jamie Rowberry, Jo Ollila, Richard Dyer, and Jim Thomas. The young people instruct four classes a day in two-week sessions.

Swimming Program; Something For Everyone

The Upland Plunge is offering again this summer an inclusive swimming program for all ages.

The classes include semi-private, beginning, advanced beginning, intermediate, swimmer, adult, lifesaving, mommy and me, diving, and skin diving.

There are scheduled five sessions of two week classes throughout the summer vacation. The second session registrations will be held on Thursday and Friday mornings at the Upland high school gymnasium from 9 a.m. to noon, June 26 and 27, and classes begin on Monday morning June 30 at the high school plunge.

The classes meet Monday through Friday with four class sessions per day beginning at 8:45 a.m.

All instructors are accredited Red Cross Water Safety instructors. At the conclusion of each session there is held a water show and the public is invited.

The recreational swim is offered daily from 1 p.m. to 3 p.m., and 3:30 p.m. to 5:30 p.m., and Monday and Wednesday evenings from 7 p.m. to 9 p.m.

The Upland Plunge swim team, champions of the Mount Baldy League 1968 is open to boys and girls six through eighteen years of age. It holds daily practices and competes competitively in league meets on Saturday mornings this league is open to novice swimmers only.

Red Cross Volunteers Awarded

Volunteers with service of one to 54 years were honored recently by the Chaffey Service Center of the American National Red Cross at a recognition ceremony. Co-chairmen of Volunteer Services, Mrs. volunteer Services, Mrs. Kenneth Lemmon and Mrs. Allan Tozier were in charge of arrangements for the event held at the Center, 201 East "I" st., Ontario.

Robert Nichols, the outgoing chairman of the Board of Directors, and Robert Lloyd, center manager, greeted guests. Mr. Wilfred Wells, incoming center chairman, and former Disaster Chairman, was the speaker of the afternoon.

Recently the names of those honored for their service to the Center were published, following

are the names of the remainder of the volunteers who received pins for service.

A 5-year pin with four year tab (9 years) was received by Mrs. Kenneth Lemmon, Joseph Pacioneri was awarded a 5-year pin with three year tab.

ORDER OF ARROW AWARDS -- Members of Boy Scout Troop 608, Upland, who won the Order of the Arrow, were given their awards in a Saturday night campfire celebration which was part of a recent camporee held in Cucamonga Canyon. Shown are (front row from left) Larry Ingles, Mike Geer, Danny Kalback and Brian Metcalf. (Back row) from left, Jeff Ball, assistant scoutmaster Ernest Snyder, Steve Hall, David Snyder, Brian Richard and Wayne Rasmussen.

FOUR FEATHERS WEST is the name of an operetta performed May 28 by Mrs. Marjorie Jensen's sixth grade class at Valencia Elementary school. From left to right, players include Ken Haack as Rink, Becky Benzinger as Kathy, Edythe Loeb as Pricilla, Penny Culbreth as the fairy queen, Jennifer Hester as Dame Doodle, and Keith Hughes as the Rabbit. In the back are Craig Pierce as Fillmore, Carmac Fowlkes as Stewart, Michelle Hills as Rosemary, and Ken Black as Bunkum. Funds received from the operetta will be used for the sixth grade party and to purchase new library books.

THE UNITED REAL ESTATE

Good People To Do Business With

Still Going Strong

Looking through the files of the newspaper, Progress-Bulletin noted that on January 13, 1967, Pomona Realty Co. has opened office in Rooms 12 & 14 of the McGowan Bank over the Pomona Department Store.

This was over 62 years ago—probably the oldest established Real Estate office in this area. By acquiring United Real Estate it has expanded to 8 busy offices. Friends of this fine organization are all over the country.

When we receive letters from them for a job well done, we read them with great satisfaction. "Keep those cards and letters coming, folks." Thank you.

the Amazing \$2094 Valiant

We've Cut the Manufacturer's Suggested Retail Price \$193. Same Car. New Price.

Valiant is small enough to give you the economy and handling you're looking for. Big enough for comfort and stability. And for only another \$99—more of what you want. More interior room. More luggage space. More horsepower. And fuel economy. Like 23.5 mpg in the '69 Union/Pure Oil Performance Trials. More comfort, better handling and stability from a longer wheelbase, wider front track, bigger tires and torsion-bar front suspension. More stopping power from bigger brakes. And standard equipment like all-vinyl interior, inside day/night mirror and seat belt retractor. Proven reliability built by Chrysler Corporation engineering know-how. And Valiant is a proven favorite around the world. In fact it is the largest selling U.S. nameplate outside the U.S. and Canada. A pretty good endorsement from people who need transportation tough enough for rugged roads for a small difference in price, see the added assurance of proven high resale value, and the backing of Chrysler Corporation's 12 month/12,000 mile warranty on the entire vehicle (excluding tires) and the five year/50,000 mile power train warranty**. So if you're looking for a lot more car for a small difference in price, see Shadoff! **See Shadoff for Details.

USC Schedules Remedial Plan For Reading

Remedial reading classes, diagnostic reading evaluations, and reading improvement classes for children and youths, aged 7 to 18, will be offered once again at both the University of Southern California campus Reading Center, room 602 Waite Phillips Hall of Education and the National Charity League - USC Reading Center at 5000 Hollywood Blvd.

Small classes of approximately six children each will be taught by remedial specialists who will stress the skills essential to good reading. Diagnostic evaluations will involve the individual assessment of reading strengths and weaknesses by competent diagnosticians.

A few classes for reading enrichment will also be offered for those who qualify. Instruction will begin on Monday, June 23, and extend through Friday, August 1. Further information regarding fees and the program itself can be obtained by calling either center. Campus phone, 746-2145 or 746-2149; Hollywood phone, 666-2353.

AmerigoLady And Gamely To Meet Up

The first 1969 meeting of the finest race mares in the country, William Haggin Perry's Gamely and Rokeby Stable's Amerigo Lady, is scheduled at Hollywood Park Saturday (June 28) when the Inglewood track will present the 28th running of the \$75,000 added Vanity Handicap.

Gamely, who dominated the filly-and-mare ranks in California in 1968 with victories in the Santa Margarita Invitational and the Vanity Handicap, was voted national champion in her division last year. In addition to her series of western triumphs, she captured the prestigious Belvedere Stakes at Aqueduct, posting a narrow decision over Politely and Amerigo Lady.

With Politely now in retirement, Amerigo Lady has taken over the role of leading challenger to Gamely's title, and the Rokeby mare who is currently racing in the East, kept a firm hold on that position by winning the \$66,500 Black Handicap at Hialeah and the \$54,800 Top Flight Handicap at Aqueduct.

'The Committee' Satirical Revue At Melodyland

The original San Francisco company of "The Committee," the Bay City's most celebrated satirical revue, will present this unique show at Melodyland the week of July 8-15.

Directed by Alan Meyerson of "Second City" fame, "The Committee" opened in San Francisco five years ago and has been received so enthusiastically, it is now an institution there.

It is best described as an "instant revue" since the majority of the topical satire is ad-libbed, allowing no two shows to be alike as its performers cast their barbs at everything from sex to politics to integration and censorship.

Tickets for the one-week engagement, which is headlined by the Association, are available now at the Melodyland boxoffice, by mail and at all agencies.

Hint On Pool Cleanliness For Health Purposes

SWIMMING POOLS--safety, sanitation

Doctors in California see many cases of irritation and infection of eyes, ears, nose, throat and skin traceable to improperly maintained private pools, and accidents (including drowning) to children continue to occur. To safely enjoy the health and recreational benefits of your pool, it is only common sense to follow many of the rules governing public facilities. For example:

SAFETY:

1) Fencing or covering--when adults or competent older youngsters are not present, be sure your pool is adequately fenced or covered to keep younger children from danger. They should never be left to use the pool without supervision.

2) Depth markers--depth of water should be plainly marked at shallowest and deepest points and (no more than 25

feet apart) at depth changes in larger pools. To prevent small children from suddenly stepping off a ledge into deep water there should be no break in the gradual slope until a depth of five feet is reached.

3) Handholds, ladders, steps--where overflowing gutters do not serve the purpose, there should be a handhold not more than 9 inches above normal water level. Steps or ladders should be provided if the distance from the bottom of the pool to poolside is over 2 feet. Treads should be non-slip.

4) Walks--paved surface around the pool should be non-slip and adequately drained away from the pool.

5) Lighting if pool is to be used at night, it should have underwater lighting that will light the bottom and entire volume of the pool with no blind spots, or equally effective overhead lighting. Waterproofing of circuits should be checked by a competent electrician at the beginning of each summer season.

SANITATION:
1) Water supply--shall be from a community water system holding a State Board of Public Health permit, or from some other source approved for the purpose by the health officer.

2) Pool skimming--floating scum, sputum and debris should not be allowed to accumulate in the pool. The bottom and sides of the pool should be cleaned as often as necessary to keep free of slime and algae.

3) Disinfection and pH control--pools in use should be continuously disinfected by a chemical which imparts a residual effect. Chlorine level and alkaline condition should be maintained at

recommended levels, as measured by dependable testing kits.

4) Bacteriological and chemical quality of water--it is possible to adjust the concentration of chemicals in the water to achieve algae and bacteriological control and clarity of water without causing eye smarting, skin irritation, or other objectionable physiological effects. This is done by maintaining a consistent pH, which means the

proper balance of chlorine (acidity) and alkalinity.

5) Clarity of water--your pool should not be used at any time when a black disc, 6 inches in diameter, on a white field placed at the bottom of the deepest point, is not clearly visible at all distances up to 10 yards.

The short, fuzzy fibers that cling to the cotton seed are called "linters."

Cigarette, Gas Taxes

The distribution of more than \$311,000 to 11 Pomona Valley cities as the May apportionment of highway users and cigarette taxes was announced by State Controller Houston I. Flournoy.

The shares for the Pomona Valley communities from the highway users taxes were as follows:

San Dimas, \$8,531; La Puente, \$18,271; Pomona, \$50,697; Claremont, \$14,611; Industry, \$887; LaVerne, \$7,590; Walnut, \$2,243; Ontario, \$33,365; Chino, \$10,837; Montclair, \$12,238; and Upland, \$17,136.

The cigarette tax apportionments to the 11 local cities were as follows:

Ontario, \$26,099; Chino, \$6,671; Montclair, \$13,069; Upland, \$11,175; San Dimas, \$3,968; Pomona, \$39,821; Walnut, \$882; La Puente, \$11,262; Claremont, \$7,252; Industry, \$11,273; and LaVerne, \$3,638.

Quiet Those Mufflers. CHP Warns Drivers

The California Highway Patrol has issued a warning against modifying the exhaust system of an automobile to amplify or increase the noise it emits above that emitted by the muffler originally installed on the vehicle.

Captain V. Nicholson of the San Bernardino office of the California Highway Patrol said that many people, particularly young owners of sports cars or other small vehicles, purchase glass-

packed replacement mufflers especially designed to sound like a high powered vehicle.

"Some dealers stamp these replacement mufflers 'Not intended for use on California highways', but some don't. Whatever the dealer's practice, it is unlawful to amplify or increase the noise above that emitted by the original muffler on the vehicle," he said.

He pointed out that the

prohibition against modifying exhaust systems to increase noise is a separate section from the one which requires a car to have an adequate muffler in constant operation and properly maintained to prevent any excessive or unusual noise.

The vehicle code also prohibits equipping any muffler or exhaust system with a cutout, bypass of similar device.

Teachers Promoted

ALTA LOMA -- Twelve Chaffey College teachers were Tuesday granted merit promotions for the academic year ahead by the board of trustees.

Promoted from associate to full professor were Lloyd Aanstad, Miriam Bowers, John Burnison, Billie Pitts and Joyce Shannon.

Promoted from assistant professor were Sam Contino, Gilbert Ex-tale, Jack Mason, Eugene Mitchell, Pauline Myers, Sidney Sillman and Ed Wallace.

Indian Guides Campout Held --

One hundred sixty-five fathers and sons of the Ontario-Upland YMCA Kitchi Nodin Y Indian Guides enjoyed the camp-out at Lytle Creek Sportsmans Park recently.

Thirty-five little braves received their achievement awards at the camp fire. The year of the Turtle Arrows were given to Red Bird, Straight Arrow, Blue Bird, Running Bright Star, and Dust Cloud, of the Creek Tribe; Little Eagle, Little Fox, Red Fox, Little Buffalo, Black Wolf, and Bright

Lightning of the Yume Tribe; Brave Wolf, Flying Eagle, Eagle Feather and Red Falcon of the Mojave Tribe; Silver Fox, Young Bear, Full Moon, White Wolf, Grey Wolf, Thunder Hawk, Fast Thunder and Cloud Man of the Sac Tribe.

The year of the Beaver Arrow was given to Little Bright Star of the Creek; Little Eagle of the Hawkeye; Fighting Eagle and Deer Slayer of the Arapahoe Tribe.

The Gold Arrow, the top award,

went to Night Owl, son of Dave Milner of the Navajo. Night Owl also received the Father and Son trophy, presented by his father.

The relay games, the sack race, the baseball throw, and water balloon races were in charge of the Arapahoe, Creek and Kiowa Tribes. The Hopi Yurok Tribe presented a first aid demonstration.

The camp fire program consisted of skits by the Sauk Fox, Klamath, Arapahoe and Sac Tribes. Camp fire singing was

led by the Chickasaw tribe. Fred Signorio, Medicine Man, presented the achievement awards and prizes. George Griffith, of the Chocktaws, was in charge of the Sunday morning worship.

Evron M. Karges, YMCA Indian Guide Director, was presented a chief's war bonnet and given the Indian name Chief Buffalo Heart.

Mack Files, Longhouse Chief directed the campout assisted by fathers.

New Cadets Honored With Party

The Etiwanda Girl Scouts recently held a family party for the sixth grade girls bridging to Cadets.

Honored were Melanie White, Shannon Rudolph, Terry Holmes, Lynn Atchley, Deena West, Kim McAninch, Cindy Case, Linda Mathewson, Cindy Nix and LaDonna Nicholson. Most of these girls have been in Girl Scouts together since second grade Brownies. They all received a plaque.

Also receiving plaques were the women who have volunteered

time to help the girls with the different badges. They are the Mmes. Carl Hahn, Herry Barton, Elmer Stidom, Pat Gearhart, Francis Mathewson, James Kelly, and Earl Mathewson and three chairmen, the Mmes. Robert Rudolph, Jimmie McAninch, and Paul Murray.

Troop leader for the year was Mrs. Joe White and co-leaders were the Mmes. David Holmes, Earl Mathewson and Doris Atchley, who are all moving up to the Cadets.

OBITUARIES

V. Wade Holden

Private services for V. Wade Holden, 90, of 591 W. 13th st., Upland, were conducted on Saturday at Bellevue Mausoleum. The Rev. Clark Robbins, pastor of the First United Methodist Church, Upland.

Mr. Holden died Wednesday at the Hemet Valley Hospital. A native of Ohio and a retired citrus rancher, he had been a resident of Upland 58 years.

Surviving are a daughter, Mrs. Marian H. Howard of Hemet, with whom he was visiting when he was taken ill; two sons, Birgil W. Holden, Upland and Philip C. Holden, Upland; four grandchildren and five great-grandchildren.

Gertrude S. Hentzell

Private services were held Friday, June 20, at Stone Funeral Home for Mrs. Gertrude S. Hentzell, who died at the age of 73 in the emergency room of San Antonio Community Hospital June 18.

Mrs. Hentzell, a homemaker, lived at 885 Altura Way, Upland for the past five years. She was originally from Indiana.

She is survived by a son Charles J. Hentzell of Anaheim; a daughter-in-law Mrs. Mary Hentzell of Upland; three grandchildren; one sister Mrs. Ann Berguff of Gary, Ind.; and two brothers, Fred and Paul Buhr of Syracuse, Ind.

Interment was at Ridge Lawn Cemetery in Gary, Indiana.

L. Mae McKee

Funeral arrangements of Mrs. L. Mae McKee, 69, of 13030 Victoria ave., Etiwanda, are pending at the Stone Funeral Home. She died Sunday at San Antonio Community Hospital.

A native of Oklahoma, she had resided in Etiwanda 39 years. She was a member of the Etiwanda Congregational Church and of that church's Women's Fellowship. She was a past president and a honorary life member of the Etiwanda School PTA.

Surviving are her husband, William A. McKee; two sons, Jack W. McKee, Etiwanda, and William J. McKee, Anaheim; two daughters, Mrs. William R. Plantz, Bullhead City, Ariz., and Mrs. Oscar W. Pagan, Montclair; 14 grandchildren and one great-grandchild.

Mansel Bishop

Services for Mansel O. (Jack) Bishop, 52, of 9172 Lomita Dr., Alta Loma, were conducted Monday at the mortuary chapel, 811 N. Mountain ave., Ontario. He died Friday at San Antonio Community Hospital.

A native of Oklahoma, he had resided in the West End 26 years. He was employed by South West Welding Mfg. Co.

Surviving are his widow, Evadna; one son, Leo H., Ontario; a daughter, Mrs. Robert R. McClure, Whittier; three brothers, Pete and Dale Bishop, McPherson, Kan., and Harold N. Bishop, Tulsa, Okla.; six sisters, Mrs. Glenn Rutledge, Wichita, Kan., Mrs. Grover Tomlinson, Tahoka, Tex., Mrs. Edward Rich, Ontario, Mrs. Ethel Bowser, Montclair, Mrs. Pat Boughey, Alta Loma, and Mrs. Willia Mae Meier, Tex.; and three grandchildren.

Burial was at Bellevue Cemetery.

What's Going On In The Southland

July events in Southern California range from a beautiful baby contest and ladies baseball game to a dory race through the ocean surf, according to the calendar issued by the Southern California Visitors Council which uses these colorful happenings in its work of building the nearly \$1-1/4 billion tourist business.

The beautiful baby contest will climax the community fair to be held July 2 to 6 at Cypress. There

will also be cake baking and watermelon contests.

Ojai holds the ladies baseball game during its July 4th celebration and the dory race will be held that evening at Hermosa Beach followed by fireworks from the pier.

Laguna Beach holds its 4th annual Festival of Arts July 11 to Aug. 24. Costumed townfolk pose in big frames as living replicas of great paintings and statuary in the nightly Pageant of the Masters.

Each state from Alabama to Wyoming will have its own section of the world's longest table stretching for two miles along Euclid ave. for the All States Picnic July 4 at Ontario.

Over 125 little sailboats, mostly skippered by youngsters, will race in the flight of the Snowbirds at Newport Harbor on July 20.

Apache, Navajo, Papago and Pima Indians in brilliant costumes will do their tribal dances at

Mission Santa Barbara daily from July 11 to 16. There will also be Indian dancers at the 171st birthday celebration of Mission San Luis Rey July 19 and 20.

Boats will stage a parade of lights on Lake Elsinore the evening of July 4.

Inland Bank Has Gift For You, If You Were Born July 1, 1964

A regional independent bank here, the Inland Bank is so happy about its forthcoming Fifth Birthday Celebration that it literally wants to include the whole world in it.

Inland's president, Wilson H. Asdel, who helped organize it, said the \$30 million Pomona Valley Institution will present a \$25 Bond to any child born anywhere in the world in July 1, 1964, the date the bank opened.

The only string is that the child has to come to the bank in person, with a parent or guardian, of course, and show proof of birth. A hospital re-

cord will do. The bank will also give away Dr. Seuss children's books to any child born in 1964 up to July 10, the closing date of the Birthday Celebration. Anyone opening

a new account through July 31, will also receive a free Seuss book.

"This world is such a sad place and children are so happy that we decided to build our birth-

day party around children," said President Asdel. "May be some of their happiness will rub off on us adults."

INTERESTED LOOKERS -- Homesite buyers at The Country in Diamond Bar, new private residential-recreation community in San Gabriel Valley, inspect tract topographical map in the community's welcome center. More than 10,000 visitors have checked in since the opening May 24-25, and to date approximately \$3,000,000 worth of homesites have been sold. The 15,000th visitor, expected between 10 a.m. and 6 p.m. Sunday, June 29, will receive all-expense two-day vacation in Las Vegas.

SB Co. In Top 10 In State For April Building Activity

Building and construction activity continued strong in Riverside and San Bernardino counties during April, despite declines when compared with an especially active April in 1968. Total building and construction volume, at \$33.8 million, slipped fractionally from last year's level. Residential volume reached \$11.6 million, the largest amount in a year, and was distributed among single family residences - \$9.1 million, multiple family units - \$1.0 million, and alterations and additions to residences - \$1.5 million. The value of permits issued for new commercial construction in April increased 12% from last month, while new industrial volume reached \$1.7 million - more than double the March amount. The engineering construction category exhibited the largest percentage gain from a year ago.

In Riverside County, total building permit valuation, at \$9.9 million, reached the highest level

since March, 1966. Residential activity reached a new high for the year and the number of single family units authorized for construction reached 232, the highest level since June, 1966. Riverside County placed ninth among California's 58 counties in the total number of single family units authorized during the first four months of 1969.

New commercial construction set a new high for the year in April and new industrial building volume was more than double the year - ago mark.

San Bernardino county recorded a total building and construction volume of \$23.3 million in April. In the January through April cumulative analysis San Bernardino County

ranked among the top 10 counties in the State in three building categories. The county ranked seventh in the total valuation of building permits issued during the first four months (\$53 million), tenth in total valuation of residential permits issued (\$21 million), and eighth in single family dwelling units authorized (1,015 units).

'South Pacific' Opens June 26 At Upland's Gallery Theatre

The Gallery Theatre, 680 East Foothill Blvd., will have a gala opening of its production of Rodgers and Hammerstein's "South Pacific", Thursday at 8:15 p.m.

The production will play Thursdays, Fridays and Saturdays through July. For reservations call 982-5357.

Two casts will alternate on playing days. Emile DeBecque will be played by Donald Bowers and Duane

Thomas, with Nellie Forbush portrayed by Jeanne Shipley.

Bloody Mary will be played by Ruth Henry, Ann Stowell and Nedra Vols; Lt. Cable will be played by Arnie Hanson and Liat by Leanna Strohm. Luther Billis will be played by Gary Dunn and Captain Brackett will be played by Roy Haddock. Understudies for the leads will be Carol Springer and Steve Rush.

Supporting players hailing from such diverse points as San Bernardino, Glendora and Covina, include Bob Walkingshaw, Susie Hartshorn, Tony Price, Bert Shattuck, Douglass Howard, Karen Dailey, Francis Tearpak, James A. Kristofka, Bill Waggener, Bob Maurer, Lynn C. Weinburg, Vicki Leuf, Andrea Povala, Larry Chasman, Bonnie Walkingshaw, Fred N. Zesar, and Marcia Robinson.

T.G. & Y. Stores Scholarship Is Awarded

Officials of T.G. & Y. Stores Company have announced that Karen G. Jackson, daughter of the recently deceased Harold F. Jackson and Mrs. Harold F. Jackson of San Bernardino, is a winner of a City Products Corporation Scholarship for 1969.

Harold Jackson, prior to his death in February of this year, was a T.G. & Y. store manager.

Karen Jackson was chosen as a City Products Scholarship winner by the National Merit Scholarship Corporation on the basis of scholastic aptitude, leadership and good citizenship as determined by testing and other procedures established by the National Merit Scholarship Corporation.

Karen attends Pacific High School where she has been very active in sports, service clubs, student government and scholastic societies. She is a member of the girls' softball team and is an outstanding tennis player. She is, also, a member of the National Honor Society and is treasurer of Zonta - Z, which is an Honor Service Club sponsored by Zonta International.

Karen is Salutatorian of her Senior Class having maintained a 3.98 grade point average. In addition to this, she was assistant Governor of Curriculum of the Student Council. She will attend U.C.L.A. in the fall. Her present interest is in the science field; however, she plans to wait until after her freshman year to decide upon a major.

City Products Corporation sponsors six college scholarships yearly for children of its employees and Karen was among the six highest scoring candidates as a result of her test performance. Various local divisions of City Products include: T.G. & Y. Stores Company, Ben Franklin Stores, Barker Bros. Stores, Dryer Furniture Stores, Gold's Furniture and Appliance Stores and Butler's Department Stores.

Another Vegas Flight Added By Air West

ONTARIO- Air West will add nonstop jet flights from Ontario International Airport to Las Vegas and Phoenix in its July 1 schedule.

Could You Pass This Driving Test For The Fourth Of July?

Suppose during your 4th of July trip an oncoming car veers into your lane and hurtles toward you. Which of the following four actions do you take?

1. Blow the horn. 2. Apply the brakes. 3. Steer as far right as you can. 4. Switch to the lane the other car should be in. In all but the rarest circumstances, moves 1 and 3 are best. The horn may wake the other driver up, and a right steer is more likely to provide escape than braking or turning into the oncoming traffic lane.

If you're one of 400,000 American teenagers who learned to drive this year with the Aetna Drivetrainer system, you not only practiced the maneuver in the safety of your classroom simulator car.

But if you haven't tested your safety sagacity lately, maybe you should tune up for holiday driving with these additional questions from Aetna Life & Casualty, developer of the drivetrainer system.

True-False
1. In case of a blowout, take your foot off the accelerator immediately, then pump the brakes. False. Ease up on the gas gradually, not abruptly. Wait until the car slows naturally before braking gently.

2. If your car, heavily loaded for a trip, seems easier to steer than usual, your tires need more air.

False. You should move some of the heavier items farther forward.

3. It is sometimes better to steer toward an object in the road instead of trying to miss it.

True. If your choice in an emergency is between hitting a moving vehicle or a minor obstruction in the road such as a rock or animal, choose the latter. If the object is small enough, straddle it rather than swerving to avoid it.

4. A light rain is often more dangerous to drivers than a heavy rain.

True. A light shower makes highways slicker than a heavy rain because road oil and grease "float" on the surface of the moisture. A down-pour washes them away.

5. On turnpikes, rear-end collisions are the most frequent type of accident.

False. Most turnpike accidents involve only one car. The statement is true for two-car accidents, however.

6. When an oncoming car fails to dim its lights, you should slow down and watch the right side of the road.

True. If you look directly into the high beams of an oncoming car at night, your eyes won't recover completely from the glare for one full minute.

7. Most traffic accidents occur at night.

False. About three out of four accidents happen in daylight, on dry roads, in clear weather. Most fatalities occur at night, however.

8. For better control on curves, slow down as you begin the turn and accelerate half way through it.

False. You should slow down well before you be-

gin the curve and gradually accelerate about two thirds of the way through it.

9. When passing, you should not cut back until you can see the car you passed in your mirror.

True. This is a handy way to gauge a safe distance.

10. In terms of traffic fatalities, the 4th of July is the most dangerous of the three warm weather holidays.

True. So far.

Elementary Ed. Academy Opens For Summer

Summer School -

Grades 1st through 8th is underway at the Academy of Elementary Education,

204 East F St., Ontario.

There will be eight weeks of summer school through August 8. You may enroll your child now as individual materials are set up for each child may it be remedial or accelerated.

A vacation may be taken during summer school. Since each student works at his own pace with individual books, the child can return to summer

school without hardshin.

The curriculum includes reading, mathematics, and composition.

Emphasis in reading is placed on phonics, speed, comprehension and retention.

In mathematics, the traditional arithmetic is stressed. Composition will synthesize spelling, grammar form, and expression.

For further information, please contact Mrs. Louise M. Jagers, director, by calling 984-5418 or 982-7709.

HEAD 'EM OUT... Crewmen of the 2d Battalion, 34th Armor, working with the 23th Infantry Division, Republic of Vietnam, mount up for a mission. The M48 tanks are armed with a 90mm main gun and a 7.62mm machine gun. On commander's cupola is a caliber .50 machine gun.
